E&E.C.A.T.

Your Trusted Source for Environmental & Energy Regulatory Intelligence in Illinois

Why Subscribe?

Whether you're a one-person team, a consulting firm juggling multiple clients, or a business navigating complex compliance requirements, **E&E C.A.T.** (Energy & Environment, Compliance And Technology) subscription service is for you.

Content is provided by the trusted Illinois Environmental Regulatory Group's expert team. The IERG team monitors the Illinois and Federal Registers, attends legislative and regulatory hearings (JCAR, IPCB, ICC), participates in rulemakings, and meets directly with IEPA leadership and staff. We collaborate with other business associations to deliver timely, accurate, and actionable insights for your business.
