E&E CAT STANDARD SUBSCRIPTION

Trusted Environmental & Energy Intelligence from IERG

Developed and staffed by the Illinois Environmental Regulatory Group (IERG) Team, E&E CAT provides timely, practical regulatory intelligence to help organizations and businesses anticipate change, support clients, and make informed decisions.

WHAT'S INCLUDED

- **Monthly Regulatory & Policy Newsletter.** Clear, actionable summaries of important Illinois and federal environmental and energy developments.
- **Weekly Legislative Updates, January-May.** Key bills, legislative movement, potential business impacts, and early notice of issues requiring attention.
- **Discounted IERG Webinars & Seminars.** Subscriber savings on high-quality environmental compliance and regulatory programs.
- **Insight from IERG's Regulatory Team.** Monitoring of the Illinois and Federal Registers, IEPA, IPCB, ICC, JCAR, agency rulemakings, legislative hearings, and stakeholder discussions.
- **Increased Visibility.** Subscribers receive priority consideration for speaking opportunities, including IERG-hosted monthly webinars and speakers for seminars.

WHY SUBSCRIBE?

For consultants and engineers: Track trends, identify client needs, strengthen deliverables, and reduce research time.

For attorneys: Gain early awareness of regulatory, enforcement, and legislative developments affecting clients.

For small & mid-size businesses: Reduce compliance risk, improve planning, and stay informed without adding to the internal research burden.

SPECIAL RATE FOR PAST IERG WEBINAR & SEMINAR ATTENDEES

As a thank-you for supporting IERG educational programs, past attendees may subscribe for \$500 for the first year. The subscription is renewed at the standard annual rate of \$1,000 beginning in year two.
